GOOD NEWS FROM THE DR CONGO AT LAST!

Official Newsletter of Galcom International, USA

Dear Friends of Galcom,

Four months ago we documented then breaking news that the deadly Ebola virus had begun spreading in the DR Congo where tens of thousands of refugees living in unsanitary conditions were especially vulnerable. We also sought your prayers for God's mercy to be shown and for 750 Galcom solar radio-Bibles then already in motion to arrive and begin sharing the double message of hope in Jesus Christ and best sanitary practices in cooperation with Rebuilders Radio ([see June 2026 newsletter](#)).

Sadly the number of reported cases with a high mortality rate have increased eightfold from 1,000 to 8,000 since then. But there is good news in spite of this, praise the LORD. Thanks to Mission Aviation Fellowship (MAF), these destiny-altering handheld devices were flown into Bunia and claimed by the Rebuilders Radio team on August 24! We are also delighted to report that enough of them to reach over 3,000 camp residents at 10 per radio were just distributed among 9 church fellowships in the large Kigonze IDP camp.

“Like cold water to a weary soul is good news from a distant land.” (Proverbs 25:25)

We praise God for this good news since we know what He can do through these compact “mini missionaries.” These devices, locked onto the gospel message of 103.0 FM and that also have French and Swahili audio Bibles included, have the potential to touch many lives and help lead many toward Jesus Christ.

We are very grateful for Rev. and Mrs. James Byensi and their team at Rebuilders Ministries, their key ally Jordan who arranged the recent distribution and is arranging one more, the cooperating local pastors inside the camp, MAF, and the team at Galcom Canada who assembled, tuned, loaded, and shipped these units out quickly. We are also grateful for Francis Njoroge from Kenya who upgraded the radio station just weeks before the outbreak. Without these dedicated individuals, faithful organizations, and lots of prayer, those being reached now with the gospel and best health practices in Kigonze would still be waiting. [Click here](#) for a short, quality report that we think you will like.

Of course none of this would be possible, dear Galcom supporters, without you! Your prayers and multi-faceted partnership are greatly appreciated. Please continue to pray for this vital outreach in Africa’s crisis situation. www.galcomusa.com

INTERCESSORS

Please pray that:

- thousands are reached for Christ through these radios.
- disease avoidance messages are heeded.
- the Rebuilders team is kept safe.
- the epidemic crests and subsides.
- many more Galcom radios arrive soon.
- camp residents have supernatural protection.
- the gospel message penetrates deeply.
